

**Seed Program- Elementary Science Curriculum Links**

<b>Grade</b>	<b>Understanding Life Systems</b>	<b>Understanding Structures and Mechanisms</b>	<b>Understanding Matter and Energy</b>	<b>Understanding Earth and Space Systems</b>
<b>1</b>	<i>Needs and Characteristics of Living Things</i>	<i>Materials, Objects, and Everyday Structures</i>	<i>Energy in Our Lives</i>	<i>Daily and Seasonal Changes</i>
	Seed Germination			
<b>2</b>	<i>Growth and Changes in Animals</i>	<i>Movement</i>	<i>Properties of Liquids and Solids</i>	<i>Air and Water in the Environment</i>
<b>3</b>	<i>Growth and Changes in Plants</i>	<i>Strong and Stable Structures</i>	<i>Forces Causing Movement</i>	<i>Soils in the Environment</i>
	Seed Collection Seed Forecasting Seed Germination			
<b>4</b>	<i>Habitats and Communities</i>	<i>Pulleys and Gears</i>	<i>Light and Sound</i>	<i>Rocks and Minerals</i>
	Seed Germination			
<b>5</b>	<i>Human Organ Systems</i>	<i>Forces Acting on Structures and Mechanisms</i>	<i>Properties of and Changes in Matter</i>	<i>Conservation of Energy and Resources</i>
<b>6</b>	<i>Biodiversity</i>	<i>Flight</i>	<i>Electricity and Electrical Devices</i>	<i>Space</i>
	Seed Collection Seed Forecasting
